"The Campus of Achievement"

William Jewell College, founded in 1849, is known nationally as "the Campus of Achievement." This distinguished title acquired by the College is due to the high percentage of its graduates who have attained eminence and success in positions of responsibility and leadership. The College is coeducational and offers a four-year liberal arts program. The 106-acre campus is situated on a hill overlooking historic Liberty, Missouri, fourteen miles from downtown Kansas City.

Calendar

Registration: Thursday, June 2 to Saturday, June 4,
9:00 A.M. to 5:00 P.M., closing at noon on Saturday.

Admission Requirements

Graduates of accredited high schools with not less than fifteen units exclusive of physical education will be admitted unconditionally provided they rank in the top half of their class. For students who have not completed high school work, other evidence of qualification to do academic work on the college level will be considered by the Admissions Committee. Individual consideration will be given to veterans.

Students transferring from other colleges are required to present an official transcript of credits and a statement of honorable dismissal.

Admission Arrangements

File the required application form which may be obtained from the Dean of Students, William Jewell College, Liberty, Missouri.

Graduation Requirements

For complete requirements for graduation see the William Jewell College catalog, available on request from the Dean of Students.

Commencement is held at the end of the session for candidates for the degree of Bachelor of Arts.

Tuition and Other Expense

Eight semester hours may be earned during the 8 week session.

The tuition for the eight weeks session is \$95. For less than 6 semester hours credit the cost is \$18 per semester hour.

The Snack-Bar will be open for the convenience of students.

Who Should Attend Summer School

The program has been especially designed to assist students in College wishing to accelerate and the secondary or elementary school teacher completing work either for the Bachelor of Arts degree or for additional certificate requirements.

The high school graduate or other qualified student desirous of beginning college work immediately and completing the requirements for graduation in the shortest possible time.

Counseling and Placement Services

The college maintains a highly effective Department of Guidance, designed to enable each student to secure assistance in realizing the greatest possible benefit from his educational, social, and spiritual experiences. The Placement Service assists all members of the William Jewell family in locating employment.

Entertainment in the Greater Kansas City Area

In addition to the Starlight Theater presentations at Swope Park in Kansas City, this year the presence of the Kansas City Athletics will add much to the entertainment and enjoyment of our summer students.
