Librarian,

University of Missouri,
Columbia, Missouri.

Dear Sir:

Referring to my letter of May 10, 1912, offering to your library an assortment of notes of the Confederate States of America, and to your reply accepting the same for the use of the students of your institution, I now inclose, by direction of Secretary MacVeagh, an assortment of the notes which includes specimens of such as are in the possession of the Department.

Please acknowledge receipt.

Sincerely yours,
